S\$55 billion
in business announcements
since 2008

A Decade of Co-creating Innovative Water Solutions

THOUGHT LEADERSHIP

Connect with water, city, and environment ministers, mayors, industry leaders and selected young water professionals at the high-level, by-invitation **Water Leaders Summit**.

SOLUTIONS

Celebrate outstanding contributions of the **Lee Kuan Yew Water Prize** laureate towards the development of innovative water technologies, policies and programmes. Exchange professional insights and technical knowledge with water practitioners at **Water Convention**.

TECHNOLOGY

See the industry's most disruptive water technologies and meet investors at **TechXchange**. Experience some of Singapore's best examples in sustainable and urban water solutions through our **Site Visits**.

BUSINESS

Dive into business opportunities, economic trends and challenges through **Business Forums** and join leading companies and innovative start-ups at the most comprehensive trade show, **Water Expo@Cities Solutions Singapore**. Expand your network through **Connect@SIWW**, the exclusive business matching concierge.

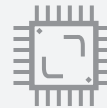

Key Highlights

Discussions and solutions on advanced wastewater treatment and water reuse

Smart Water Systems and Utilities of the Future

Commercialisation of innovative water technologies

Engage with city, water and environment key stakeholders at a single platform
