Where solutions become clear

**Singapore
International
Water Week**

THE CHANNEL TO THE FUTURE

The Singapore International Water Week is the global platform that brings policymakers, industry leaders, experts and practitioners together to address challenges, showcase technologies, discover opportunities and celebrate achievements in the water world.

To help expand your market, and prepare you for the next economic upturn, Singapore International Water Week 2009 offers a diverse mix of carefully planned programmes on water infrastructures and technologies. Combined with opportunities to learn, network and seek new partnerships like never before.

SEE THE POSSIBILITIES. SEIZE THE OPPORTUNITIES.

Tap into the endless flow of business opportunities offered by the Water Week's flagship programmes.

Water Expo (23 – 25 June) Business Forums (25 June)

A major showcase of water innovations, technologies and services, the Water Expo provides you the ideal platform to explore and establish ties with international manufacturers, suppliers and leading consultants. Also, don't miss out on new products and services to be launched for the first time in Asia and the world at the Innovation Corner.

With 15,000 square metres of indoor exhibition space and 10 country pavilions, the Water Expo promises to excite!

At the same time, discover a wide range of water projects in emerging markets. Six Business Forums featuring speakers from Australia, China, India, Japan, Middle East and Southeast Asia offer you an outstanding platform to meet top government officials and key organisations, broadening your horizon to fruitful collaborations.

OTHER HIGHLIGHTS

Water Convention (23 – 25 June)

Held in conjunction with the International Water Association's Leading Edge Technologies Conference (LET), the Water Convention allows you to exchange valuable insights and experiences in water and wastewater technologies, as well as advances in infrastructure development.

Technical Tours (22 & 26 June)

Registered delegates can sign up for exclusive guided tours covering state-of-the-art water facilities, such as the Marina Barrage, Deep Tunnel Sewerage System and NEWater Visitor Centre.

THE ENTIRE WATER WORLD UNDER ONE ROOF

At Singapore International Water Week 2009, you will be able to network and build new partnerships with the entire chain of players from the global water scene, including government officials and luminaries attending these flagship programmes:

Lee Kuan Yew Water Prize Award Ceremony & Banquet Water Leaders Summit

The road to clear, sustainable water solutions for Asia, and the world starts here.
