

## Join us at the 5<sup>th</sup> Singapore International Water Week from 1 – 5 July 2012

The Singapore International Water Week 2012 will now be held from **1 – 5 July 2012**, at an all new refreshing venue, the Sands Expo and Convention Centre at the Marina Bay Sands. The Water Week will be held in conjunction with the 3rd World Cities Summit (WCS) and the inaugural CleanEnviro Summit Singapore (CESS) under the same roof. This means more opportunities for everybody to promote practical and sustainable water solutions and tap into a vast network of public and private sector players in not just water, but also urban and environment solutions.

Mark your calendar and we look forward to seeing you at the Singapore International Water Week 2012.
