

Singapore International Water Week 2012 is Progressing Well!

Greetings from the Singapore International Water Week! As the final quarter of 2011 approaches, we are working hard to ensure your experience at the Singapore International Water Week 2012 is your best one yet!

Singapore International Water Week 2012 will be held in one of Singapore's iconic destinations – the Marina Bay Sands, and organized in conjunction with the 3rd World Cities Summit and the inaugural CleanEnviro Summit Singapore.

Here's a quick update on our happenings thus far:

SIWW Proudly Renews Our Strategic Partnership with the International Desalination Association (IDA)

SIWW and IDA are proud to announce our continued Strategic Partnership up to 2015 at the recently concluded IDA Congress in Perth. As our strategic partner, IDA works closely with SIWW to share their expertise and provide more value to SIWW delegates.
