Connect with global leaders @ SIWW

Take advantage of this opportunity to meet and network with senior government officials, policymakers, industry CEOs and heads of international organizations from around the world. Let SIWW be the place where you build valuable relationships with global leaders from the water industry.

Engage in discussions on current water issues and uncover new opportunities with our exciting programme line-up

Themed "Water Solutions for Liveable and Sustainable Cities", an exciting line-up of events awaits you at SIWW 2012. The exclusive **Water Leaders Summit** (by-invitation only) brings together key leaders to discuss water issues at a strategic level. Highlights of the Summit include:

- **In Conversation and Joint Opening Plenary:** "Requirements for Liveable and Sustainable Cities"
- **Water Leaders Roundtable:** "Water Planning for Liveable and Sustainable Cities"
- **Parallel Summit Workshop 1:** "Unlocking Innovation - Advancing the Water Industry through Portfolio Planning, Policies and Project Delivery" (co-organized with Black & Veatch)
- **Parallel Summit Workshop 2:** "Cutting Edge Water Technology for a Sustainable Future" (co-organized with Siemens)

The **Water Convention** will focus on relevant water issues to stimulate discussions on the following themes:

- *Delivering Water from Source to Tap*
- *Effective and Efficient Wastewater Management*
- *Cities of the Future*
- *Water Quality & Health*

The popular **Hot Issues Workshops** will return with these themes:

- *Integrated Infrastructure Planning for Cities of the Future*
- *Application of Technologies in Developing Countries*
- *Water Management for Dengue Control*
- *Industrial Water Treatment and Management*
- *Changing the Language of Water*

Don't miss the all-new **Industrial Water Solutions Forum**, titled "Innovative Solutions to Water Sustainability for the Industrial Sector", and the revamped **TechXchange Workshop**, "Exploring the Next Wave of Opportunities in Water Technologies".

Covering more than **90,000 sq ft** on a single exhibition floor, the **Water Expo** is the one-stop marketplace for buyers and sellers showcasing the latest water innovations, products and services.
