

WATER CONVENTION 2012 IS NOW CALLING FOR ABSTRACTS!

Singapore International Water Week 2012
July 2012, Marina Bay Sands,
Sands Expo and Convention Centre, Singapore

The 5th Singapore International Water Week (SIWW 2012) will be held at the iconic **Marina Bay Sands Singapore** in **July, 2012**. As one of the flagship programmes of the SIWW 2012, the Water Convention is jointly organised by PUB, Singapore's national water agency, and the International Water Association (IWA). The theme for the SIWW 2012 is "Water Solutions for Liveable and Sustainable Cities". In line with the overall theme, the Water Convention provides a platform for water professionals to share experiences, in particular, case studies and practical applications that showcase technological solutions and/or management strategies which improves the efficiency and effectiveness of water and wastewater systems. It will also examine issues related to urban water planning and water quality and health in the following Convention themes:

- Theme 1: Delivering Water from Source to Tap
- Theme 2: Effective and Efficient Wastewater Management
- Theme 3: Planning for Sustainable Water Solutions
- Theme 4: Water Quality & Health

Click [here](#) to view the detailed descriptions for each theme.
