

# SINGAPORE INTERNATIONAL WATER WEEK 2010

## WATER LEADERS SUMMIT

### **CHARLES GORDON**

PRESIDENT & CHIEF EXECUTIVE OFFICER  
SIEMENS WATER TECHNOLOGIES

*United States of America*

Charles Gordon was appointed President and Chief Executive Officer of Siemens Water Technologies on February 1, 2008. Previously he served as Executive Vice President of the Water & Wastewater Systems Group, and President of the Water & Wastewater Services and Products Group. Gordon has more than 20 years of water industry and management experience, through various positions held with USFilter and Arrowhead Industrial Water.

Gordon received a Bachelor of Science degree from the University of South Dakota and completed a Masters of Business Administration at the Babcock School of Wake Forest University. Between receiving his M.B.A. and joining Siemens Water Technologies, Gordon held several financial and marketing management positions within the BF Goodrich Corporation.

He is located at the Siemens Water Technologies corporate headquarters in Warrendale, PA.
