

SINGAPORE INTERNATIONAL WATER WEEK 2010

WATER LEADERS SUMMIT

CHRISTOPHER GASSON

PUBLISHER, GLOBAL WATER INTELLIGENCE

United Kingdom

Christopher is an authority on water finance and markets. After a degree in politics and economics at Oxford University, he worked as a financial journalist and investment banker, before acquiring *Global Water Intelligence* in 2002. Over the past five years, he has written and contributed to a number of specialist reports on the water sector, including *Municipal Water Reuse Markets 2010*, *Desalination Market 2010*, and *Global Water Market 2011*. He is also publisher of *Water Desalination Report*, the *IDA Worldwide Desalting Plant Inventory* and *DesalData*.
