Celebrating *10 years* of Water Excellence

The NEW Taste Challenge | Basement 2

15 years since the debut of NEWater, PUB, in partnership with Brewerkz is producing Singapore's first-ever beer that is made from NEWater – NEWbrew by PUB Singapore. Unveiled exclusively at SIWW 2018, come have a first-hand taste for yourself, beer that is made from ultra-clean & high-grade water at The NEW Taste Challenge, happening from 9 – 11 July, Water Expo @ City Solutions Singapore.

Journey with the Best Poster Winners | Level 3

Wondering what the Best Poster Winners over the past 10 years have been up to since winning the award? Discover how they have successfully implemented their winning technologies and impacted cities and communities through a feature wall display.

Co-creating the Future | Level 3

What will 2030 be like? Past and imminent water technology trends will be encapsulated into an interactive word cloud. Join us to co-create & shape the future of the water industry by sharing with us your thoughts on the future water trends online. Participants will receive a complimentary luggage tag* as a souvenir.
