

SINGAPORE INTERNATIONAL WATER WEEK 2026

THE GLOBAL PLATFORM TO SHARE AND CO-CREATE INNOVATIVE WATER, COASTAL AND FLOOD SOLUTIONS

15 – 18 June 2026

Sands Expo & Convention Centre, Marina Bay Sands, Singapore

As one of the premier global platforms, the biennial Singapore International Water Week (SIWW) gathers thought leaders, experts and practitioners from governments, cities, utilities, and industry to share knowledge and best practices on innovative water, coastal and flood solutions, and foster partnerships to tackle urban water and associated climate challenges.

Organised by Singapore International Water Week Pte Ltd, a subsidiary of PUB, Singapore's National Water Agency, the 11th edition of SIWW will be held from 15 to 18 June 2026 at the Sands Expo and Convention Centre in Singapore.

TARGET AUDIENCE	WATER UTILITIES, AGENCIES & REGULATORS	GOVERNMENTS, CITIES & REGULATORS	INDUSTRIAL WATER USERS & ECONOMIC ZONE OPERATORS
KEY THEMES	MUNICIPAL WATER SOLUTIONS AI & digitalization; water & resource circularity; nexus approaches; treatment, reuse & desalination technologies; network management; used water management; water quality & one health, financing	COASTAL & FLOOD RESILIENCE flood risk assessment; multi-functional adaptive land use planning; nature-based solutions; blue-green infrastructure; flood mitigation operations; disaster recovery; community resilience; financing	INDUSTRIAL WATER SOLUTIONS zero liquid discharge; ultrapure water; water reuse, real-time sensors & automation; pollution control; sustainable water management practices; trade effluent discharge

OUR UNIQUE VALUE PROPOSITIONS			
THOUGHT LEADERSHIP Insights on latest trends, solutions, and case studies in various thematic areas	SOLUTIONS & TECHNOLOGY Innovation and solutions in urban water management, for municipal and industrial users	BUSINESS & NETWORKING Gathering of industry, utilities and governments for business collaboration and partnerships	GLOBAL EVENT, REGIONAL FOOTPRINT A global water event with strong relevance and application to Asia

Programme Highlights

TARGET AUDIENCE

- Water Utilities, Agencies & Regulators
- Governments, Cities & Regulators
- Industrial Water Users & Economic Zone Operators

THOUGHT LEADERSHIP

OPENING & HIGH-LEVEL PLENARY

Official opening of Singapore International Water Week 2026, attended by over 3,000 expected attendees

SIWW KEYNOTES

Keynote presentations addressing critical urban water and climate challenges to build a more resilient and sustainable water future.

UTILITIES CEO ROUNDTABLE

By-invitation closed-door event for senior utility leaders to share experiences and solutions, and foster closer cooperation amongst peers to solve emerging challenges

COASTAL AND FLOOD RESILIENCE LEADERS SUMMIT

A Leaders Summit where industry partners share successful coastal and flood management projects implemented in global cities

EMERGING UTILITY LEADERS SUMMIT

A by-invitation Summit for next-generation water utility leaders to engage with and learn from senior utility and industry leaders, and build networks with peers

TITANS OF INDUSTRY

A high-level panel of global industry CEOs who will share their corporate vision and strategy as leaders in urban sustainability, resilience and innovation

SOLUTIONS & TECHNOLOGY

WATER CONVENTION

(Co-organised with International Water Association)
A technical conference presenting sustainable technological solutions, processes and management strategies that address key water issues

TECHXCHANGE

A forum connecting start-ups and innovators with utility and industry end-users, venture capitalists and accelerators/ incubators

INDUSTRIAL WATER SOLUTIONS FORUM

High-level forum for the latest industrial water technology innovations, aimed at achieving your corporate water sustainability objectives

TECHNICAL SITE VISITS

Offering first-hand experience to Singapore's integrated approach in achieving water sustainability

BUSINESS & NETWORKING

WATER EXPO

(in cooperation with IFAT)

Pre-eminent marketplace for the international water, coastal and flood community to converge and find opportunities in business

PARTNER EVENTS

Exploring trends, opportunities, and challenges in the water sector to identify solutions and high-impact collaborations

NETWORKING FUNCTIONS

To encourage networking between delegates, exhibitors, and trade visitors, networking functions will be organised at the event

SIWW+ is the digital technology and innovation hub of Singapore International Water Week. As a free, open-source online repository on water innovation, SIWW+ contains SIWW- and industry-related reports, articles and videos across diverse urban water issues, from climate resilience, digital water, to net zero, resource circularity and sustainability.
