

LAUNCH BRIEFING INVITATION

Keeping drinking-water guidance current for a changing world

Launch of the 3rd addendum to the 4th edition of the WHO *Guidelines for drinking-water quality*

WHO, with PUB, Singapore's National Water Agency, will host a launch briefing 18 June 2026, 12:45–13:30, at Singapore International Water Week 2026 to mark the publication of the 3rd addendum to the 4th edition of the WHO *Guidelines for drinking-water quality*.

The session will highlight how the **updated guidance** supports countries, regulators, utilities and partners to **manage drinking-water risks** and **protect public health** in a changing world.
