

**SAVE THE DATE!**

# SINGAPORE INTERNATIONAL WATER WEEK SPOTLIGHT 2023

**THEME: URGENT CLIMATE ACTION FOR A SUSTAINABLE WATER FUTURE**

 **4 - 6 June 2023**

 **Paradox Singapore Merchant Court at Clarke Quay**

SIWW Spotlight 2023 is a by-invitation Summit that brings together leaders from utilities, cities and industry to share experiences and solutions in tackling climate and water sustainability challenges.

Themed “Urgent Climate Action for a Sustainable Water Future”, sessions at Spotlight 2023 will feature a closed-door roundtable for utility CEOs, industry plenaries, workshops and networking events to drive impactful exchanges and build partnerships for collective action.

Themes presented will include climate mitigation and adaptation, and digital water transformation. SIWW Spotlight 2023 will be held from 4-6 June 2023 in Singapore, alongside Ecosperity Week 2023, presented by Temasek.

**We invite global water leaders to join us at the event.**

# What Can You Expect?

## Utilities CEO Roundtable (4 June)

Only for CEOs and senior leaders of water utilities, agencies and cities

The inaugural Utilities CEO Roundtable provides a valuable opportunity for CEOs and designated senior representatives of water utilities, agencies, and cities to engage in frank and open exchanges of experiences amongst peers in a closed-door setting, and form partnerships with like-minded organisations to drive action and develop solutions to common challenges.

### Roundtable Topics:

- Net-zero Utility: How do we get there?
- Smart Utility: Plans, actions, and results

## Spotlight Plenaries (5 June)

Plenaries will shine the spotlight on how industry can provide access to knowledge, technology, innovation, and capital to support the transformation of water utilities and cities to become climate-resilient, smart and sustainable.

### Plenaries:

- Climate-resilient Utility – The Way Forward
- Smart Utility – Partnering Industry for Success

## Technical Visits (6 June)

Technical visits to facilities and installations offer delegates a first-hand experience to hear and learn about Singapore's integrated approach to achieve water sustainability and resilience.

### Technical Visit Options:

- Keppel Marina East Desalination Plant
- Sembcorp Tengoh Floating Solar Farm
- Changi Water Reclamation Plant & NEWater Factory
- Choa Chu Kang Waterworks
- Nanyang Environment and Water Research Institute (NEWRI) & Separation Technologies Applied Research and Translation Centre (START)

## Networking Functions

Numerous networking functions during SIWW Spotlight 2023 offer informal opportunities to foster business and collaboration over drinks and meals.
