SINGAPORE INDUSTRIAL WATER TECHNOLOGY WEEK 2027

AN INVITATION

Innovative Water Technologies for Industries in the Asia-Pacific

8 – 10 June 2027
Hall E and F, Sands Expo & Convention Centre (B2),
Marina Bay Sands Singapore

Organised by Singapore International Water Week Pte Ltd, a subsidiary of PUB, Singapore's National Water Agency, the Singapore Industrial Water Technology Week 2027 (SIWT 2027) is Asia-Pacific's first-ever dedicated event for industrial water technologies. As the premier showcase for water innovation to address complex industrial water challenges, SIWT 2027 aims to bring together major industrial water end users, top-tier technology providers, and key industry leadership to drive the transition towards regenerative, circular and resilient water systems, and ensure industries achieve environmental and regulatory compliance.

Key Event Highlights

All key event highlights are open to exhibitors and trade visitors.

BE PART OF SIWT 2027.
SHOWCASE YOUR TECHNOLOGIES TO INDUSTRIES LOOKING TO SOLVE THEIR WATER CHALLENGES.

THE OPPORTUNITY

CAPITALISE ON ASIA-PACIFIC'S GROWING INDUSTRIAL WATER NEEDS

Top 5 Reasons You Should Exhibit at SIWT 2027

- 1

Meet Industrial Buyers Who Need Your Solutions

Connect directly with decision-makers seeking solutions to improve water efficiency, manage wastewater, increase reuse and strengthen operational resilience.

- 2

Showcase Your Solutions to Water - Intensive Industries

Showcase your solutions to high-value, water-intensive sectors across Asia-Pacific — including Semiconductors & Electronics, Data Centres, Energy & Power Generation, Oil & Gas, Pharmaceuticals, Chemicals, Food & Beverage, Metals & Mining and Textiles.

- 3

Turn Industry Water Challenges into Opportunities

Demonstrate how your technologies can help industries consume less water, increase reuse, tackle complex wastewater, meet regulatory requirements and build more resilient operations.

- 4

Build Your Asia-Pacific Business Pipeline

Generate qualified leads and build new business relationships with industrial end-users, engineering firms, system integrators, distributors, and partners across Asia-Pacific's industrial water value chain.

- 5

Be Part of a Dedicated Industrial Water Marketplace

Position your company in a dedicated marketplace where industrial water challenges meet technologies, solutions and expertise — connecting you directly with industries actively seeking solutions to their water and wastewater needs.

THE AUDIENCE

MEET ASIA-PACIFIC'S INDUSTRIAL WATER DECISION-MAKERS

As an exhibitor, SIWT 2027 brings you closer to key decision-makers, industrial water buyers and end-users with purchasing influence across priority industries in Asia-Pacific.

Here's how:

- Targeted Industry Outreach**

Focused outreach to **500 industrial companies across nine priority water-intensive sectors**, with personalised invitations and direct engagement to bring key decision-makers and end-users with industrial water and wastewater needs to SIWT 2027.
- Industry & Trade Association Partnerships**

Close partnerships with **relevant industry and trade associations** to engage their networks across our priority sectors. Through targeted outreach and incentives, including our Hosted Buyer Programme, we aim to bring qualified industrial buyers and end-users to SIWT 2027 to meet with solution providers.
- Regional Roadshows**

Targeted roadshows and market engagement will take SIWT 2027 directly to **priority markets across Asia-Pacific**, building awareness, engaging industrial communities and encouraging participation from prospective buyers and end-users.
- Industry Days @ SIWT 2027**

Setting aside **dedicated Industry Days for key decision-makers, industrial water buyers and end-users** from featured industrial sectors to come together through curated programmes and activities, explore the latest solutions at the Expo, and exchange knowledge through case studies, workshops and high-level panels.
